

HM350 LOW LEVEL LIFT

PNEUMATIC LOW-LEVEL LIFT
WITH SWING ARMS

Designed to accommodate all vehicles from small passenger to large SUV and 4X4. Improves operator conditions when working on the wheels. The heavy duty constructed full deck allows lifting at strategic points from all sides of the lift. Height adjustable lifting arms as standard to ensure raising the vehicle from manufacturers jacking points.

- Mechanical safety locks
- Maximum pressure valve prevents overload pressure in the air bellow
